Dear AAPM brothers and sisters,

This 15-20 minute survey is a helpful way to review our experiences as a peer learning group from 2004 to 2006 under CRC's Sustaining Pastoral Excellence program. Those invited to answer this survey are: all 10 pastor-members, the wives who had joined any of our face-to-face meetings, and our two advisors (Tong Park and Mike & Lois Vander Pol). To the wives: please answer the survey separately from your husband's.

As your answers will serve as a good basis for what we do in the near future, please answer carefully each question and add well-thought comments when asked. Since this online survey program does not allow you to go back and correct your answers, select carefully your answers. Almost all questions are written in multiple-choice formats to make it easy to choose possible answers.

This survey will be available online **ONLY from Feb 15 and close on Feb 19**. Try to complete the survey in one sitting before that final date. After you answer the last question and click submit, all your answers will automatically be recorded. There is no need to print or mail. You're done!

If you have questions or problems opening the survey, please email or call me, 510-909-5684.

May God bless as we look at lessons of the past and meet the challenges of our group's future. Thanks and blessings to all!
